Subject: Re: Chalking Day - May 2nd

Greetings Bernadette,

As a follow up to your email, the Event Review Committee (cc'ed) reviewed the request. Note the following:

- Chalk only on concrete sidewalks and not on the red bricks or the granite slabs near the native garden at the Peace Garden area. Please do not chalk the interior walkways within the Peace Garden area.
- Do not use red chalk, as it does not clean easily.
- No post-clean up plan is necessary.
- Your chalking request is approved.

Best,
Gerry

Hi all,

See below for an inquiry regarding chalking in front of the Library and walkways leading up to the library. We can discuss at tomorrow's ERC meeting, however, if folks are unable to attend please let us know your thoughts.

Best,
Gerry

Hi Gerry,

My on campus group, Fresno State Students for Life, is planning to chalk messages on campus on Tuesday, May 2nd from 6:30am - 7:30am. We will be using regular sidewalk chalk of many different colors (blue, yellow, pink - this can be changed to meet plant ops' needs) out by the library and the pathways leading up to it (from the fountain area towards the library, from the PHS building towards the library - this can also be changed to meet plant ops' needs). We are celebrating pregnant and parenting students' hard work as they pursue their education, so we'll be including messages like "Support Pregnant and Parenting Students," "Pregnant on Campus Initiative," "Know your Title IX Rights," and different facts about development in the womb.

Thanks!

Bernadette Tasy
President, Fresno State Students for Life
